Old Business

Ev is going to send out a survey using Survey Monkey to get input for events at the July FunFly. Please respond to the survey.

The May meeting was held at the flying field, first one this season. Jim Adams cooked burgers and brats. Weather wasn't the greatest, but there was a good turnout.

Members Only Raffle

Bill continues to sell tickets for the Hawker Hurricane 25e Electric airplane donated by Bob. The proceeds from the raffle will go to reimburse the club treasury for the cost of the new BBQ grill.

New Business

Wally Gloor has volunteered to help with field maintenance. They say he mows a pretty straight line on the riding mower.

George requested funds to spread bug insecticide on the field.

The club voted to spend \$150 for prizes and \$75 for food at the upcoming fun fly.

Sean put in a request to get some new buddy boxes. The current ones are getting a little flaky. Hobby Haven is going to be contacted.

Bob Prosser is donating an ARF glider and a FPV Quad Copter for future prizes or raffles.

Show And Tell

Everett showed the progress on his BAKA BOMB foam plane he is building.

Meeting was adjourned at 7:33pm

Fun Facts

Hogwash

Steamboats carried both people and animals. Since pigs smelled so bad they would be washed before being put on board. The mud and other filth that was washed off was considered useless “hog wash”.
