Checking:	\$571.77
Savings:	\$1245.42
Total:	\$1817.19

The September Fun Fly only had a few pilots show up. The contests and prizes were cancelled. Bill Dillinger won the glider raffle. We might award the gift certificates at the Christmas party.

Old Business

Everett brought burgers and brats to the meeting along with chips and drinks. Chef Jim cooked the burgers. It was a great evening with a lot of flying going on.

President Ev reported that members need to get their volunteer hours to the Parks department to get credit. Volunteers need to fill out a form to get credit. The reason for the form is mostly Parks insurance.

New Business

We discussed the upcoming September fun fly. It was voted to have the contests that were scheduled for the July fun fly. Prizes will be gift certificates of \$60, \$40, \$30 and \$20.

The Vista BL will be raffled at the September fun fly.

George wants to schedule a work day at the field to apply sealer to the shelter.

Show And Tell

Wayne brought his foam flying wing powered by a 1000 mAh 3 cell LiPo. He said it is a pretty easy build and could be a winter project for the club.

Meeting was adjourned at 7:37pm

Fun Facts

Blunder Trophies

The National Museum of the US Air Force displays "Blunder Trophies" from the 1920's and the early 1930's presented at the McCook and Wright Fields. These trophies were given to silly pilots who made mistakes like taxiing into a parked airplane or taking off without enough fuel. We're guessing these things weren't so funny at the time.
